CERTIFICATIONS

I have a few certifications on Java, Angular, Secure Software Development and English that can be seen on my LinkedIn page.

ABOUT ME

I have extensive experience in Java, which is my primary focus, along with secondary skills in frontend technologies such as Angular and ReactTS applications. While my expertise lies in backend development, I am also familiar with DevOps practices and modern frontend frameworks.

EDUCATION

UNICEN | Tandil, Buenos Aires

TECHNICATURE IN SOFTWARE DEVELOPMENT

EXPERIENCE

Coderio | Software Company, Remote

Senior Java Developer @ Openpay | December 2023 - Present
